

Wayne Rasner, Sr. - President

As President of Rockford Molded Products and having been with the company for over 30 years, I am co
We do this by shopping the market for the lowest cost materials with our diversified material suppliers.

We offer low labor rates by having state-of-the-art equipment, experienced technicians and an onsite tool

We offer **Excellent Quality** and **Service** so that

We offer Kanban just-in-time (JIT) production to all our customers to ensure products are always available

My motto to all of our customers is ***"I would put our prices up against any molder... and I believe our prices will win."***
